MINDMATRIX (Mind Map) – VK2

STUDENT COORDINATORS

Aditya Nath – 9354510794
Anirban – 9315771447

EVENT DESCRIPTION

MindMatrix is a technical mind-mapping event designed to test participants' analytical thinking, creativity, and structured presentation skills. Teams will create a digital mind map based on the given theme and present their ideas effectively within the stipulated time.

EVENT DURATION (Total: 1 Hour)

- 10 Minutes – Introduction and Topic Briefing
- 40 Minutes – Mind Map Creation (Using MS Word or any AI Tools)
- 10 Minutes – Presentation and Submission

RULES & GUIDELINES

- Each team must consist of exactly 2 participants.
- There will be only 1 round.
- The total event duration is strictly 1 hour.
- Participants must create a digital mind map using MS Word or any AI application.
- Internet usage is allowed for research purposes.
- AI tools may assist participants; however, they must clearly understand and explain their content.
- Final submission must be in PDF format.
- File naming format: TeamName_MindMatrix.pdf
- The decision of the judges will be final and binding.

JUDGING CRITERIA (Total: 100 Marks)

- Relevance to Theme – 20 Marks
- Logical Flow and Hierarchy – 20 Marks
- Originality of Thought – 20 Marks
- Innovation and Critical Thinking – 20 Marks
- Presentation – 20 Marks
